Yellow Color

Built-in Cord
Organizer

Features:

- Heavy Duty Metal Construction
- Heavy Duty 6' Power Cord (14AWG x 3C)
- Illuminated On-Off Power Switch with built-in 15 amp Circuit Breaker
- Built-in Cord Organizer
- Surge Indicator LED
- 6 Surge Protected Outlets (2 Wide Spaced)
 - Mounted at 90° for easy insertion of Power Supplies

Specifications:

- Electrical Rating: 125VAC 15AMP (1875 Watts)
- Max. Surge Suppression: 1200 Joules
- Max. Spike Voltage: 6KV
- Max. Spike Current: 6500 Amps
- Response Time: < 1 Nanosecond

Safety

- Do not exceed total maximum rating of 15 Amps (1875 Watts)
- Suitable for indoor use only
- Use only in a dry location

6 Outlet Power Strip

31-065-1

- With 1200 Joule Surge Protector
- Lighted On-Off Switch/Circuit Breaker
- 6' 14AWG Power Cord
- 90° Outlets for Power Supplies
- Built-in Cord Organizer
- Heavy Duty Metal Construction
